By Appointment Only (4:15 pm – 7:00 pm)

Dear parents/guardians,

We are excited to welcome our students and families back.

When you arrive at the school for your scheduled appointment time, please note:

- Please self-screen at home and if anyone in your family is ill or have any symptoms, do not attend the event. (<https://sharedhealthmb.ca/covid19/screening-tool/>)
- Adults and children will have to wear a mask and we ask that you use hand sanitizer when you enter the school
- If you are coming to see Ms. Friesen, Mr. Pecold, Ms. Robinson, or Ms. Horton, please enter in the East Doors. For all other teachers, please enter through the main front doors.
- To minimize congestion, we are asking that you choose to meet with only one of the teachers your child has. Appointments are only 15 minutes and teachers will be meeting with a few parents at a time.
- If possible, please limit the number of family members who are coming with you (but of course you may bring your child)
- Please remember that this is not a parent teacher meeting to discuss specifics about your child. To do that, please call or email the teacher to make other arrangements.
- It is important that families adhere to their scheduled time slot as this helps us control the number of people in the school.
- We kindly ask that all visitors to the school observe 2 metre physical distancing protocols and follow the directional arrows on the floor.

To book your appointment through the Parent Portal, please go to *Parent Teacher Meetings*, then choose one appointment time that suits your family.

If you cannot make this event or would like to connect with other teachers, please contact the school and we will set up an alternative meeting time.

Thank you for your cooperation and we look forward to the start of the school year.

Sincerely,

Greg Sawatzky
Principal
