

Human Ecology Supply List Grade 8

The Clothing and Textiles portion of Human Ecology will commence at the beginning of the term. Students will be constructing **PYJAMA PANTS**.

Please help your grade 8 student put together a simple sewing kit with these necessary labelled supplies:

Supplies for Laboratory:

- 2.5 meters of flannelette fabric (washing/drying fabric will help avoid shrinkage)
- 1 large spool of matching thread
- elastic – 1 meter of 2.5 cm wide ~ non roll
- 1 stitch ripper
- 1 seam gauge
- 1 pair of sharp scissors
- 1 package of stick pins with ball heads
- 1 pincushion
- 1 **extra large** resealable plastic bag (e.g. *Ziploc*)

**Fabricland and Fay's Fabric Villa (320 Main St., Steinbach) offer a student discount. Bring this handout into the store to ensure that you receive the discount.*

Supplies for Theory:

- 1 duotang
- 1 pen or pencil
