Principal's Message:

March has gone by quickly with a variety of activities going on before, during, and after school. This past week we had parent teacher meetings for all grades. If you were unable to attend but would still like to talk with your teacher, we encourage you to reach out. We are beginning to plan for next year. As part of this, we had a grade 9 orientation for all grade 8s to discuss the transition to high school classes. Throughout these coming months, if you have any questions about programming for your child, please let us know.

Staff Farewells

We'd like to wish a happy retirement for Audrey Wittebolle, one of our EAs who has been a dedicated employee in the Hanover School Division for many years. Her presence and the support she provided for our students will be missed. We wish you a wonderful retirement!

We also are saying goodbye to Teresa Schalm, our Library Support Specialist. Ms. Schalm made the Learning Commons a place where students want to be. From oversized crossword puzzle bulletin boards to hosting "National Coffee Day" for the school, her energy and enthusiasm will be missed. We wish her all the best!

Finally, Ms. Andres is off on maternity leave! We wish her all the best as she enters this exciting new chapter. Ms. Andres plays a significant role in our school culture - she helps to create belonging and promote student engagement. She will be missed by students and staff!

Musical Landmark Collegiate students are working hard to prepare for Annie Jr. the musical! Performances will be on April 25 and 26th at 7pm and tickets will be going on sale soon! Ticket prices: \$10/adult and \$6/kid under 12. We hope to see you there!

Student Portal

Similar to Parent Portal, grade 9-12 students now have a student portal that they can use to VIEW their timetable, attendance, grad progress, account information and report cards. They will have viewing access but are unable to make changes to any information. The link can be found on the homepage of our website.

Basketball

Congratulations to our grade 7/8 girls basketball team who went UNDEFEATED this season! They represented the 96-ers well. We look forward to having these girls back on the court next year.

Badminton

JV and Varsity badminton season has begun. For more information about practices and tournaments please check out our school website. Our grade 7 and 8s will also have the opportunity to join badminton in the near future.
