

Principal's Message:

In our high school, we have made intentional efforts to prepare our students for life after graduation. Recently, our 10th graders took part in Reality Check at Niverville High School, a simulation designed to enhance their budgeting and financial literacy skills. During this event, students assume various careers and navigate through earning income, managing taxes, handling expenses, and making financial decisions. Additionally, our 11th and 12th graders had the chance to explore the campuses of Red River Community College and the University of Manitoba, encouraging them to consider their future paths. Lastly, it is exciting to see some of our students securing apprenticeships, where they gain valuable on-the-job training, earn high school credits, and accumulate hours towards a recognized trade certification.

Student Portal

Similar to Parent Portal, grade 9-12 students now have a student portal that they can use to VIEW their timetable, attendance, grad progress, account information and report cards. They will have viewing access but are unable to make changes to any information. The link can be found on the homepage of our website.

Basketball

As we wrap up another basketball season we want to express appreciation to our coaches. Thank you for volunteering your time and effort. Our athletes are able to have these experiences because of you!

Badminton

Next up in our athletics department is badminton! If you are interested in coaching or helping out, please contact the school.

Band Our students performed at the Optimist Festival last week. All of our bands performed very well and received high marks and many compliments from adjudicators. Additionally, ALL of our bands received an invitation to perform at nationals in Ottawa. While we can't attend, the recognition is appreciated.

Musical Landmark Collegiate students are working hard to prepare for Annie Jr. the musical! Performances will be on April 25 and 26th at 7pm and tickets will be going on sale soon! Ticket prices: \$10/adult and \$6/kid under 12. We hope to see you there!

Lost and Found

Please remind your child to check the lost and found for any missing items. Items are in front of the office.

Report Cards

For grade 7/8 students, term 2 ends on March 7. Currently, teachers are assessing and writing comments to report on your child's progress. Please check in with your child to see if they have any outstanding assignments. If you have questions or concerns, feel free to check in with teachers. Report cards will be released on Parent Portal on Friday, March 15.
