

Principal's Message: As the year comes to a close, we take this opportunity to recognize and thank the staff members who are moving on and to welcome those who are joining our team.

- First, we extend our gratitude to Mr. Tristan Roberecki for his commitment over the past year, stepping in for Mr. Ryan Malech.
- Mr. Malech has accepted a new position in Winnipeg, and we wish him all the best in his future endeavors.
- We also wish Ms. Carlee Penner a successful move as she transitions to NHS as a full-time guidance counselor. Ms. Penner has been a tremendous influence, supporting our students in Learning Support and Guidance, and making significant contributions in the classroom.
- Ms. Reisa Horton will be transitioning from the classroom to take on Ms. Penner's role in Learning Support and Guidance. We are also excited to welcome Ms. Jada Wieler as a new classroom teacher, bringing with her several years of valuable experience.
- Mr. Rob Giesbrecht will be moving on from his role as a PE teacher. We are grateful for his leadership and contributions over the years, and we wish him great success in his future endeavors. We are pleased that Mr. Lucas Enns will be joining us as our new PE teacher. Mr. Enns comes to us with a wealth of experience in PE and coaching from his previous position in the Garden Valley School Division

We are immensely grateful for the hard work and dedication of the staff members who are moving on. Their contributions have been invaluable and deeply appreciated. We also look forward to the fresh perspectives and energy that our incoming staff members will bring to our community.

Thank you to everyone for your support over this past year. Landmark Collegiate thrives when there is a strong network of support from parents, coaches and volunteers, businesses, community teams and organizations, churches, and Flatland. It is through this network that our students are able to excel. On behalf of everyone at Landmark Collegiate, we wish you all a safe, relaxing, and enjoyable summer. As we wrap up this year, I encourage you to reach out to me with any questions, concerns, or suggestions you may have. Your active participation and feedback are crucial in helping us continually improve and grow, as we work to create an environment where our students can truly thrive.

Moving? HSD transportation department has asked that if you are moving in the summer, please call their office at 1-204-320-2347 and notify them of the changes. This helps them as they plan bus routes for the start of school.

Schedule - Student timetables for grades 9-12 are available on the student and parent portals. If students are wanting to make changes to their schedule, please contact the school office.

Homeroom placements for grade 7 and 8 students will be released to the parent portal on Monday, August 26.
