

**November 1, 2024**

Dear Parents/Guardians:

We are beginning our annual Fall fundraiser this week. This year we have chosen to fundraise from the following companies:

- Bothwell Cheese - perfect for your holiday entertaining!
- Stone City Coffee - great for gift giving!

Order forms for both fundraisers are due on November 12th, 2024 with delivery being early December. More information will follow.

The funds raised will be divided between the two schools. The Collegiate will be using the funds for school grounds improvements (trees, box garden, outdoor spaces for congregating) and the Elementary School will be using the funds for playground enhancements.

Please find attached the separate order forms. Cheques should be made out to Landmark PTA.

Looking forward to a successful fundraiser!

COFFEE ROASTERS

Stone City Coffee Roasters is a husband-and-wife roasting team, Located in Steinbach, MB.

We offer the finest in freshly roasted coffee. We roast premium specialty coffee, Certified Fair-Trade Coffees, and Certified Organic Coffees from around the world! Our method ensures the beans are roasted to perfection, which inevitably results in an exquisitely smooth cup of coffee, bursting with flavour, every time.

Our purpose is to create belonging within the community through coffee. Why coffee? A good cup of coffee is often shared, and it brings people together. And when it's not, it's a moment to reflect, to think about the world and our role in it. Also, coffee is all about relationships – between the farmer and the roaster, the roaster and the customer, and ultimately every person sharing a cup of coffee.

We are passionate about people and awesome coffee!
